INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-699 (Final)]

Commission Determination To Conduct a Portion of the Hearing "in Camera"

AGENCY: International Trade Commission.

ACTION: Closure of a portion of a Commission hearing to the public.

In the Matter of: Stainless Steel Angle from Japan.

SUMMARY: Upon request of respondent Aichi Steel Works, Ltd. (Aichi) and petitioner Slater Corporation (Slater) in the above-captioned final investigation, the Commission has unanimously determined to conduct a portion of its hearing scheduled for March 30, 1995, *in camera*. See Commission rules 207.23(d), 201.13(m) and 201.35(b)(3) (19 CFR 207.23(d), 201.13(m) and 201.35(b)(3), as amended, 59 FR 66,719 (Dec. 28, 1994)). The remainder of the hearing will be open to the public. The Commission unanimously has determined that the seven-day advance notice of the change to a meeting was not possible. See Commission rule 201.35(a), (c)(1) (19 CFR 201.35(a), (c)(1), as amended, 59 FR 66,719 (Dec. 28, 1994)).

FOR FURTHER INFORMATION CONTACT: Lyle Vander Schaaf, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone 202-205-3107. Hearing-impaired individuals are advised that information on this matter may be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission believes that Aichi and Slater have justified the need for a closed session. Because petitioner Slater is the sole domestic producer, a full discussion of petitioner's financial condition and of many of the indicators that the Commission examines in assessing material injury by reason of subject imports can only occur if at least part of the hearing is held *in camera*. In addition, because certain information is contained only in confidential questionnaire responses of importers and producers and there are only three

mill depots that sell the subject imports, any discussion of issues relating to this information will necessitate disclosure of business proprietary information (BPI). Thus, such discussions can only occur if a portion of the hearing is held *in camera*. In making this decision, the Commission nevertheless reaffirms its belief that whenever possible its business should be conducted in public.

The hearing will include the usual public presentations by petitioner and by respondents, with questions from the Commission. In addition, the hearing will include an *in camera* session for a presentation including BPI by petitioner and for questions from the Commission relating to the BPI, followed by a presentation including BPI by respondents, followed by questions from the Commission relating to the BPI. For any *in camera* session the room will be cleared of all persons except: those who have been granted access to BPI under a Commission administrative protective order (APO) and are included on the Commission's APO service list in this investigation. See 19 CFR 201.35(b)(1), (2). In addition, if petitioner's BPI will be discussed in the *in camera* session, personnel of petitioner will also be granted access to the closed session while such data is discussed. Similarly, if BPI of respondents' witnesses will be discussed in the *in camera* session, respondents' witnesses will also be granted access to the closed session while such data is discussed. See 19 CFR 201.35(b)(1), (2). The time for the parties' presentations and rebuttals in the *in camera* session will be taken from their respective overall allotments for the hearing. All persons planning to attend the *in camera* portions of the hearing should be prepared to present proper identification.

Authority: The General Counsel has certified, pursuant to Commission Rule 201.39 (19 CFR 201.39) that, in her opinion, a portion of the Commission's hearing in *Stainless Steel Angle from Japan*, Inv. No. 731-TA-699 (Final) may be closed to the public to prevent the disclosure of BPI.

By order of the Commission.

Issued: March 27, 1995.

Donna R. Koehnke,
Secretary.
